

Re: Library Wish List

Dear New West Parents/Guardians:

Many thanks to everyone who has contributed to our book donation bin these last couple of months; the books are being catalogued and integrated into the library circulation system as they come in, and our children will now have significantly expanded choices when they visit the library.

A number of you have asked whether there are any particular books we would like to have donated, and the answer to that is “yes.” Starting this month, the Library Committee will be sending out a monthly wish list of books, focused on a particular subject or literary genre. November is “historical fiction” month at the library, and attached is the New West Library Wish List in this genre. (A hard copy of this list is maintained in the library.)

We would greatly appreciate receiving new or nearly new, preferably hardcover, copies of any of these books to augment our collection. Most of the books are available on Amazon for between \$10 and \$15, and would make a most welcome addition to the library. Thank you all for your generosity.

New West Library Committee.
