May 14 - Mother's Day!!

One more school year comes to an end!

“As the end of this school year and summer approach I want to take this opportunity to thank all the students and their families. Being the end of the day and students saturated with lots of new information and homework, they can be a little uneasy, however I am very proud and impressed with all students for their good behavior after school. I hope to see you all next year. Have a wonderful summer!” Ms. Navarro
