

NEW WEST CHARTER ATHLETICS
TRANSPORTATION DONATION FORM

New West Athletics is growing and we need your help! We are looking to provide bus transportation to all away games this school year.

Benefits of Bus Transportation

- Parents would no longer have to help carpool players to games.
- Coaches would no longer have the additional responsibility of driving players to games.
- Picking up your student-athlete would become much more simplified, pick up after games from New West at specified times rather than driving all over Los Angeles.
- Teams would travel together, spending quality team time together on the bus and gain the opportunity to complete homework, read or study during the bus trip.
- Ensured safety of all athletes during transportation.

However, bus transportation can be very expensive, especially over the course of an entire season. A one day roundtrip bus rate can go anywhere from \$300-\$400. We are looking for parents to help donate to raise funds for buses to these games. Any donation will help! Please fill out the information below if you would like to donate.
